RIDE NINJAZ 25 SERIES

The Ninjaz brand, founded in Austria in 2011 by three friends Svetko Baltic, Alexandra Primig and Steven "Stoica" Stuyven, has meanwhile made a name for itself far beyond the country's borders. Today the brand is internationally established and is traded in scene circles as a manufacturer of the best action sports gloves.

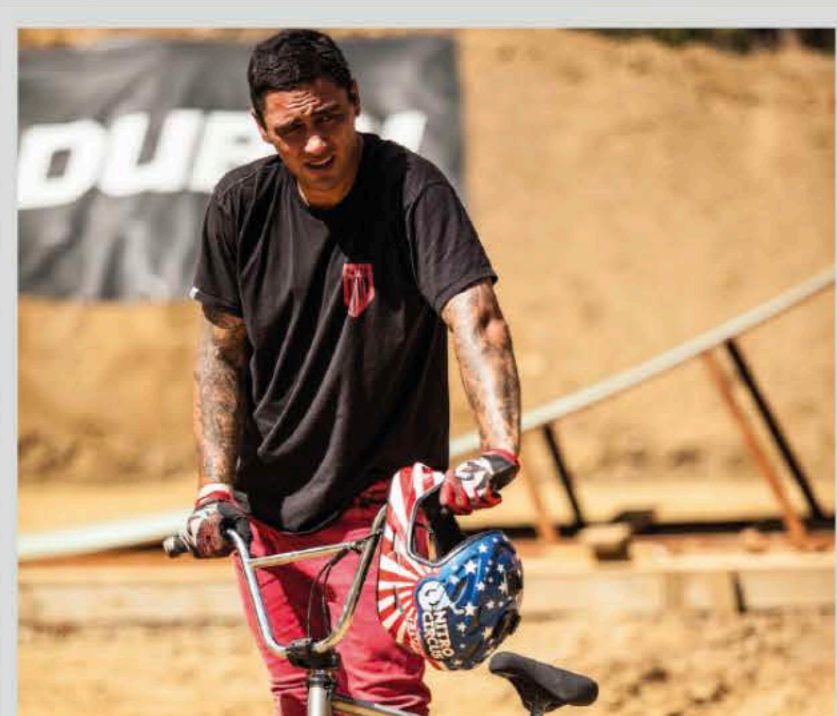

The name Ninjaz stands for a new generation of action athletes who are viewed as contemporary ninjas by the brand's director and team manager - Svetko Baltic.

And this team at Ninjaz has proven to be a force to be reckoned with. RIDE NINJAZ!
